Reviews

It is one of the best books. Better than ever, though I am quite late in starting to read this one. You won't feel monotony at any moment of the time (that's what catalogues are for regarding in the event you check with me).

Graywolf Press,U.S., United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Katie Ford s is a finely-wrought lyrical beauty, a poetry of detail and care, but she has set it within an epic arc. Poetry I lie still, play dead, am delivered decree: our daughter weighs seven hundred dimes, paperclips, teaspoons of sugar, this child of grams for which the good nurse laid out her studies as a coin purse into which our tiny wealth clinked, our daughter spilling almost to the floor. from Of a Child Early Born In Katie Ford s third collection, she sets her music into lyrics wrung from the world s dangers. Blood Lyrics is a mother s song, one seared with the knowledge that her country wages long, aching wars in which not all lives are equal. There is beauty imparted, too, but it arrives at a cost: Don t say it s the beautiful / I praise, Ford writes. I praise the human, / gutted and rising.
