

Sky Burials (Paperback)

By Ben Smith

Worple Press, United Kingdom, 2014. Paperback. Condition: New. Language: N/A. Brand New Book. The poems in Ben Smith's first chapbook map shifting environments, strange ecological events and dubious auguries. They trace rivers, coastlines and other borders, where saints set sail in boats of stone, wolves stalk the suburbs of Chernobyl and scientists leap from cliffs dressed in coats of feathers. Told through the voices of birds, unreliable seers and broken bones found in rivers and museums, these dark, playful poems explore prophecy and ritual, science and uncertainty in the era of climate change.
