Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from English Grammar Drills on Minimum Essentials The exercises cover two points: (1) the study of the sentence as a whole to develop sentence sense, and (2) the study of the correct forms of words and their relation to one another in the sentence. Enough explanation of the grammatical principles involved is given to make the exercises intelligible. They cover the grammar requirements for the early years of the high school. The exercises were evolved out of class work. They were used originally as separate drill laboratory Sheets and were used in individual adjustment in revision or consultation periods.
