Ancestry.com, United States, 2001. Paperback. Condition: New. Language: English . Brand New Book. Finding Answers in U.S. Census Records is a comprehensive guide to understanding and using U.S. Census records, in particular those of the federal census. Aimed at the general family history audience, this book is especially useful for the beginning to intermediate researcher. Along with a description of the history and structure of the federal census there is a guide to each decennial census. Three appendixes offer a description of major census data providers, major state and national archives with census collections, and specially designed census extraction forms. Includes a complete index.
