But her tenure on the East Coast is coming to an end, and she s still not sure what she wants to do with her life. Enter Dominic De Luca, an operative for the Covenant of St. George, and Verity s on-again, off-again boyfriend. When he tells her that the Covenant is sending a full team to assess how ready the city is for a purge, Verity finds herself between a rock and a hard place. Stay, and risk her almost-certain death, or flee, and leave the cryptids of New York with nothing between them and the Covenant. It s not the kind of choice that ever comes easy. With allies and enemies on every side, and no safe way to turn, it s going to take some quickstepping for Verity to waltz out of this one. There s just one question on everyone s mind: Is this the last dance for Verity Price?.
