His arms were hanging down, but his face was turned upwards. For the first time Johnny saw a dead man. Colonel Meroy is a prosperous pillar of the landed gentry. But his neighbours would be shocked to learn he d started out as a London pickpocket, and still earns his income from a career in smoothly organized robbery. Now he s hit a perilous snag - his latest job means going up against the rival and ruthless Luvello gang for a fortune in gold bullion, and even risking the safety of his own son. When a river policeman is killed, Inspector Thompson of Scotland Yard is drawn into the case, and he always gets his man . He Shot to Kill was first published in 1936, and has remained out of print until this new edition. It includes an introduction by crime fiction historian Curtis Evans. I have the highest opinion of Peter Drax s murder stories . The secret of Peter Drax s success is his ability to make the circumstances as plausible as the characters are real Sunday Times.
