Do you want to live a life free from shame, guilt, and self destructive behaviors? Are you tired of feeling as if you are constantly walking around with an unbearable weight on your shoulders? If you have answered yes to any of these questions you feel this way because you are struggling with forgiveness. Not because of what anyone has done to you but because of what you have done to someone else and are now doing to yourself. When you are full of anger and resentment life can become a series of days and nights that just merge into one, the clock ticks, the months and the years go by and before you know it you are old, grey and bitter! This is not what you were put on earth to do. You have a purpose and a destiny that is greater than your mind can conceive if only you were to clear the weeds of negative energy out of your way and trust that there is something better for you than the self hate that you are carrying. You can live a fulfilling, joyful and peaceful life free from the bondage of unforgiveness if you choose to. Everything in life is a choice, the only person who can take you out of the pit and into the palace is you and this all starts with a choice. A choice to forgive yourself for the wrongs you have committed and choose to live in a place of abundance and joy. You can learn how to do this today by reading the book **Everyone Screws Up** by author K.C. Smith.
