Regent Press. Paperback. Condition: New. This item is printed on demand. 256 pages. An indiscreet book about a discreet subject. The book is orchestrated like a piece of music, starting out as a melodic ornament Appoggiature and gradually ascending from Pianissimo to Fortissimo echoing the development of this harmonic love and sex story - a love and sex story that takes place both in the virtual world and in the real world. The computer screen is the mediating interface, the door of perception through which our heroine and hero speak of love and step by step have sex, discovering and exploiting the intimacy provided through the anonymity of electronics. Our heroine is deeply seduced into levels of intimacy, her paramour using the subtlety of the distance and yet the immediacy of the electronic medium to lead her into a web of unusual pleasures. She marvels at how skillfully and poetically he manipulates the digital medium to combine the realms of pornography and love. This item ships from La Vergne, TN. Paperback.
