Hip Hop Comix N Flix, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The world of Science Fiction is so expansive that once I stepped into this world I wanted to write about everything. In this book I chose some of my favorite areas under the Sci-fi umbrella to write stories in Revisionist History, Robots, Gargoyles, Demons, Horror, Time Travel, Space Travel, Futurism, Pirates, Werewolves and Military Sci-fi. This book is written with the Hip Hop generation in mind because they are the future and Sci-fi fuels the imagination. Sci-fi pushes the imagination and makes people dream. Many young people have so much drama in their lives they only think about the happenings of today s world. They rarely think or dream about the future or enjoy the escapism that Sci-fi provides. If you can dream it you can achieve it and I wonder if you don t dream what will you achieve? The stories in this collection are: Nightmare on Halloween Camp: follows the story of Maurice and Eni from Thug Angel Rebirth of a Gargoyle. In this story Maurice has to transform into his gargoyle form in order to rescue Eni (his daughter) from a demonic entity. The Screaming: tells the story of a werewolf who has learned to control his transitions through a strict vegetarian lifestyle. When gang violence erupts in the community surrounding the college he works at, things go horrible wrong. The Voyage of the Blackstar: is the first part of a series of stories following a group of African pirates as they wage war on European slave traders and they lay claim to the Caribbean.
