Ultimately he found the way to reduce his workload by 80 , while actually increasing results and success. Furthermore, he could spend time on what matters most: his family. This book describes his method. Using Meisel's revolutionary Optimize, Automate, Outsource approach, you will learn how to take almost anything you do and make it work smarter, instead of harder. Modern methods like the 80/20 rule, the 3 D s, and multi-platform repurposing let you build a high-powered, traditional-style success factory that only requires one employee to run. Less work, more results, more happiness.
