

## National Security in Perspective

By S.T. Das

Gyan Books Pvt. Ltd., New Delhi, India, 1987. Hardcover. Book Condition: New. Dust Jacket Condition: New. The power of a nation is conditioned by (i) what that nation is in relation to people and national consciousness, (ii) what it has in land and material resources. Under material resources are classified all those material Things needed for maintaining a Peace time Economy and for waging war. To direct Military planning, to participate actively in a War or even to understand military strategy and tactics, one must know the Effects of geographical Forces on military operations. A war cannot be planned or waged without intimate Knowledge of climate, weather, Topography and Ground cover; The width, depth and navigability of rivers; the size and shape of Oceans and adjoining seas; the existence of life lines; the shape , area and relative locations of the continents, Countries and island, distribution of arable land, minerals, Natural resources and Manufacturing centers. The book is designed to acquaint readers with the major regional facts and principles which contribute to a nation's development, power and policies, and upon which many aspects of strategy and security are based. This should Help one to gain a better insight into India's...

### Reviews

*A must buy book if you need to adding benefit. It is actually writter in basic phrases and never difficult to understand. I found out this book from my dad and i advised this publication to find out.*

-- **Miss Camila Schuppe III**

*Completely one of the best ebook I actually have possibly study. It can be writter in simple phrases and not confusing. You can expect to like the way the author write this book.*
