Little, Brown Company, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. She helps people conquer their demons. But she has a few of her own. In the halls of the psychiatric ward, Dr. Zoe Goldman is a resident in training, dedicated to helping troubled patients. However, she has plenty of baggage of her own. When Zoe becomes obsessed with questions about her own mother's death, the truth remains tauntingly out of reach, locked away within her nightmares of an uncontrollable fire. And as her adoptive mother loses her memory to dementia, the time to find the answers is running out. As Zoe digs deeper, she realizes that the danger is not just in her dreams but is now close at hand. And she has no choice but to face what terrifies her the most. Because what she can't remember just might kill her. Little Black Lies is about madness and memory - and the dangerous, little lies we tell ourselves just to survive.
