Instead of losing your faith and asking what God is doing, take a look at what He s already done. It s also important to understand that your waiting time depends on the choices you make. This guidebook compares waiting for God s guidance to waiting for a doctor. You can learn the essentials of waiting and ways to determine your number in line. Discover how to make an appointment with God; recognize the consequences of missing an appointment; live a healthy and prosperous life; and help others move toward the Lord. There are doctors for every physical ailment under the sun-backaches, stomachaches, and even heartaches. But when your problem requires divine intervention, you need a spiritual doctor who can give you the medicine you need. Live a more spiritual life, and improve your life, health, and outlook on life. It all begins by going where you can get the right treatment-God s Waiting Room.
