But when he was accidentally rescued from certain death by the Warrior Lorn Graywulf, he found himself in the unfamiliar position of being indebted to another. To repay that debt, Lynch offers to help the Warriors reverse a spell that would wreak havoc on their World. Of course, he neglected to mention that action would serve his own interests as well. In the process, Lynch discovers much to his chagrin that he does still have a soul and a conscience. He also discovers that the Warriors are fighting a battle they cant win against a common enemy, a Wizard named Timon Backhelm. Only Lynch knows his complicated history with Timon, and the real reason he has sworn to kill him or be killed trying. But when Lynch realizes the extent of Timons power, he knows the only way to win is to initiate the creation of the Dragonspawn, a magical, physical blend of the strengths of a Dragon and an ultimate Warrior. The question is, will the Dragonspawn be loyal to those who created him, or will he simply destroy them all This item ships from multiple locations.
