Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Stan had heard that I had written a short book and asked me if he could read it. Later he sat next to me and said he had a wish to put his story with his lovely wife into a book so he could hold it in his hands. Written in stone so to speak. So thinking how dear to his heart that would be I got a small recorder and set things up for him to tell it like it was. I wrote it exactly how he told it. An endearing sweet little summery. So here it is, for him to hold. Bless you Stan x.
