Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The environment young people are growing up in today is much different in many ways than it was fifty years ago, even 25 years ago, and yet in many ways it is the same. It is different in that styles have changed, but very much the same in the fact that the spirit of man, at its core, is vulnerable to the same temptations as those of yesteryear. This book is an offering of wisdom and reason based upon the Bible to help couples enter a relationship that will last and that will be pleasing to God. While there may be many books on the subject, this small volume is quick and easy to read. In the multitude of counsel there is safety. A Word To The Wise is for those serious about true safety from the counsel of God s Word.
