Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which it basically changed me, modified the way I really believe.

New from Olivia Newport! **Christmas in Blue** In the wake of a personal loss deeper than anyone realizes, Angela plans to bypass as much of the season as possible and get through her duties as the church organist by going on autopilot. Instead, she finds herself in charge of the town s celebration. After a mysterious young man arrives, townspeople suspect he is the reason that one set of plans after another disintegrate until little is left of their traditions. Yet Angela warms to Gabe because she suspects they share a secret--his real reason for coming to town. Even when all they have to work with is a garish supply of blue Christmas decorations, Gabe helps Angela discover the hidden beauty of hope. **Christmas in Gold** After eighty years, change is nothing new for Astrid. By the time she was twenty, she survived the destructive Nazi regime, caring for her family under brutal circumstances, moving to America, and losing her husband. At forty she was widowed again and left to build a new life with her children. Now, when she faces a move into an assisted living community and meets a young woman on the brink of despair, she resolves to stir up hope through tragedy one more time.
