This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. In 2003, an FBI-led task force known as Operation Fly Trap attempted to dismantle a significant drug network in two Bloods-controlled, African American neighborhoods in Los Angeles. The operation would soon be considered an enormous success, noted for the precision with which the task force targeted and removed gang members otherwise entrenched in larger communities. In Operation Fly Trap , Susan A. Phillips questions both the success of this operation and the methods used to conduct it. Based on in-depth ethnographic research with Fly Trap participants, Phillips work brings together police narratives, crime statistics, gang cultural histories, and extensive public policy analysis to examine the relationship between state persecution and the genesis of violent social systems. Balancing her roles as even-handed reporter and public scholar, Phillips reveals multiple flaws within the US criminal justice system and builds a powerful argument that many law enforcement policies in fact nurture, rather than prevent, violence in American society. Crucial to Philips contribution is the presentation...
