

Lean University: A Guide to Renewal and Prosperity (Paperback)

By Bob Emiliani

Center for Lean Business Management, LLC, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Higher education has undergone major changes in price and competition, yet the status quo prevails when it comes to management. Long-used practices are losing their appeal among faculty, staff, students, and others. They want and deserve better. Lean University is a practical guide for college and university administrators who are interested in becoming better leaders. It explains how to correctly apply Lean principles and practices and avoid common pitfalls. Readers will also learn a true student-centered vision for teaching and administration that will enable higher education to prosper in the 21st century. Whether you are new to administration or a 30 year veteran, you will find in Lean University many new things to learn and put into practice.
