

## Skills for Social Work Practice

By -

Palgrave MacMillan, United Kingdom, 2015. Paperback. Book Condition: New. 234 x 157 mm. Language: English . Brand New Book. Skills lie at the heart of all actions of a social worker, and inform all aspects of practice - from drawing on vital theoretical and ethical frameworks to applying the law and research findings to particular situations. This user-friendly and logically organised book brings together the key skills needed for practice in one place. It reflects current practice frameworks and addresses a wide range of skills including communication and relationship building, professional writing, ethical practice, assessment and reflection. Each chapter incorporates a number of features to help with learning and practical application, including: \* Case studies to demonstrate how particular concepts apply to social work practice \* Reflective exercises to help readers relate concepts and situations to their own experiences on placement and in the classroom \* Progress checks to help students make connections between the Professional Capability Framework, the Standards of Proficiency and the wider skills they need to acquire \* Chapter summaries to draw out key themes This engaging and practical book is essential for students studying social work or health and social care. It is also a critical...
