

Margaret, Queen of Sicily: Queen of Sicily (Paperback)

Filesize: 7.14 MB

Reviews

Absolutely essential read publication. It is amongst the most incredible book i have study. Your lifestyle period will be convert when you full reading this ebook.

(Dr. Meaghan Streich V)

MARGARET, QUEEN OF SICILY: QUEEN OF SICILY (PAPERBACK)

Trinacria Editions, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Sometimes it takes just one strong woman to tame a pack of zealous men. Meet Margaret of Sicily. For five years during the twelfth century, Margaret of Navarre, Queen of Sicily, was the most powerful woman in Europe and the Mediterranean. Her life and times make for the compelling story of a wife, sister, mother and leader. This landmark work is the first biography of the great-granddaughter of El Cid and friend of Thomas Becket who could govern a nation and inspire millions. In Margaret s story sisterhood is just the beginning. The Basque princess who rose to confront unimagined adversity became the epitome of medieval womanhood in a world dominated by men, governing one of the wealthiest, most powerful - and most socially complex - states of Europe and the Mediterranean. This book is the result of original, scholarly research in medieval chronicles and manuscripts - some never before translated into English - yet its narrative is lively and interesting, exploring the essence of the queen s personality. In addition to its main text, the volume presents fourteen pages of maps, four genealogical tables and numerous photographs, reflecting information gathered by the author in Italy, Spain and England (and even in the United States). Her research took her from the tiny town in Navarre where Margaret was born to the locality in Sicily where the queen died, and a lot of places in-between. The author s keen knowledge of history and her mastery of Italian, Spanish, French and Latin aided her in following every step of Margaret s journey. If you could travel back in time to the twelfth century, Ms Alio would be the perfect guide, and in this book she guides you through...
