

Hot Air Bathing: Its Philosophy and Advantages in Health and Disease (Classic Reprint) (Paperback)

Filesize: 4.12 MB

Reviews

Without doubt, this is the very best operate by any publisher. Indeed, it can be enjoy, nevertheless an amazing and interesting literature. You may like how the writer compose this pdf.

(Toni Bechtelar)

HOT AIR BATHING: ITS PHILOSOPHY AND ADVANTAGES IN HEALTH AND DISEASE (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Hot Air Bathing: Its Philosophy and Advantages in Health and Disease The heat is generated in a brick furnace placed under the sidewalk. From the middle of the ceiling of the third room a constant current of cold air is distributed through out the several apartments, and as the heavy air gravitates to the floor, it is taken out through openings near the floor to transverse channels under the shampooing couches which are made continuous, and conveyed to a general ventilating shaft, two feet by six, 100 feet high, and heated so as to act like an exhaust pump in removing foul air. Into this each individual room also has its opening, and each apartment thereby constantly parts with its impure air and receives constantly a supply of fresh air. No checks or dampers are provided, and, as heat is the mode of motion and the supply continuous, the atmosphere is constantly renewed and purified, supplying cold air to breathe and rendering the ventilation practically automatic - a desideratum which has never hitherto been accomplished in ancient or modern bathing. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
