

## The Rhyming Diary of Jason Smith: At the end of his Key Stage 2 Career (Paperback)

Filesize: 8.49 MB

### **Reviews**

*An incredibly awesome publication with perfect and lucid reasons. It can be written in simple phrases and not confusing. I am just delighted to let you know that this is actually the very best publication I actually have studied during my very own lifestyle and could be the best publication for actually.*

*(Paula Gutkowski)*

**THE RHYMING DIARY OF JASON SMITH: AT THE END OF HIS KEY STAGE 2 CAREER (PAPERBACK)****DOWNLOAD**

Troubador Publishing, United Kingdom, 2016. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Jason Smith is a typical eleven-year-old boy - except for one thing. He enjoys keeping a diary of what he calls his `DAYS rather than his `days : occasions that, for one reason or another, have burned themselves into his memory. The day when a very excited dog found its way into school; the day when he went to school wearing odd socks; the cold winter day when he tried, unsuccessfully, to wriggle out of a swimming lesson - with a surprisingly happy result; the day the nurse came into school with very embarrassing consequences; Sports Day with all the usual chaos that brings. These, and others, are chronicled in Jason s favourite way - in rhyme. We meet some of Jason s family and friends: his little sister who is a nuisance and the ways Jason has invented of dealing with her; his older sister, whom he finds impossible to describe; Barney, who Mark - Jason s best friend - thinks is an alien. It isn t only the strange or funny days that Jason records, however. Sad days are here too: the loss of a much-loved pet: the day when Gurdip returned to school after losing his mum: the worries about moving to secondary school. Then there are the days when Jason found himself wondering `Why? Why did Mum s bunch of roses open during the night rather than the day? Why has he, Jason, got such a boring surname? Why can t he play football as well as Johnny? The Rhyming Diary of Jason Smith will appeal to a wide range of audiences. Children will recognise Jason s world, the questions he asks, the embarrassing scrapes he finds himself getting into. Parents...
