Crocodiles: The Largest Reptiles on Earth (The Great Book of Animal Knowledge) (Volume 8)

By M Martin

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 26 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. The crocodile must be one of the scariest looking animals in the planet. With its sharp teeth and armor-like scales, you wouldn't want to be found in a crocodile's pathway especially when it is hungry! But what is a crocodile really like? It is really fierce. Do they really attack animals larger than they are or even humans? Read this book and find out amazing facts about this creature. There are also a lot of amusing things you will learn about the crocodile in this book. Did you know that there are times that crocs, as they are nicknamed, open their mouths wide to cool themselves? Why is this so? Did you know that they sometimes eat stones? Did you know that a mother crocodile can lay eggs as many as 90 at a time? Did you know that there are different types of crocodiles in different locations in the world? Learn about all these facts in this book. Learn about the uses of their body parts. Learn about how they catch their food. Learn about how mother crocodiles take...

Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.
