Reviews

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Cassandra Von)

THE DARK O THE MOON (THE GALLOWAY COLLECTION) (VOLUME 8)

Ayton Publishing Limited. Paperback. Condition: New. 418 pages. Dimensions: 7.8in. x 5.1in. x 1.1in. The stage is filled from the first with red-coats, gipsies, and Galloway Levellers. Mr Crockett has found again in this sequel to The Raiders the inspiration which grey Galloway gives him with its hills and woods and floods. His descriptions of sky and landscape are always in harmony with the action of the story. To the hostile critic of sequels it must also be admitted that Mr Crockett has produced what, could it be looked at by itself, would certainly have been accounted a most readable and historic romance. As the second part of the Raiders trilogy, The Dark o the Moon moves the action on a generation. This time the hero is Maxwell Heron (son of Patrick and May) and the story revolves around The Levellers Revolt of 1724. We are reunited with characters such as Silver Sand, Hector Faa and Marion Tamson as well as historical characters such as John MacMillan of Balmaghie and the Hanoverian Princes. Crockett adopts his familiar style of appropriating big historical events and placing them firmly into the stories of fictional ordinary people to illustrate how history affects everyone. There is action, adventure, mystery, subterfuge and love affairs in abundance and from beginning to end, nothing is ever what it seems. The Galloway Collection is a wholly new edited version of the works of S. R. Crockett, not a reprinted facsimile or a scanned copy. Ayton Publishing Limited is committed to achieving a high production standard at a reasonable price. The original conventions of punctuation and style have been kept where appropriate but each volume has been individually edited, typeset, proofed and produced to modern standards and includes an original introduction by series editor Cally Phillips. This item ships from...
