Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. J avoue que dans l Amerique j ai vu plus que l Amerique; j y ai cherche une image de la democratie elle-meme, de ses penchants, de son caractere, de ses prejuges, de ses passions . La gloire de Tocqueville n est pas seulement celle d un analyste politique exceptionnel; c est aussi, depuis la recente redecouverte de son oeuvre, celle d un philosophe politique qui serait en meme temps un classique de la sociologie, et qui pourrait aider a comprendre les problemes qui se posent constamment dans les democraties modernes. L egalite des conditions, l individualisme, le despotisme democratique, les relations entre maitres et serviteurs, l esprit de liberte et l esprit de religion, autant de notions qui dessinent aujourd hui encore les contours d une philosophie de la democratie.
