This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Oneness Perceived is a sutra for our culture and our time. It conveys the viewpoint of enlightenment in a clear and systematic way. In the spirit of pure inquiry, the author develops a comprehensive theory of consciousness and uses it to illuminate religion, mysticism, science, and psychology. The book returns psychology to its earlier roots in phenomenology, taking introspective and subjective experience as the starting point and not as something to be discarded because it is unscientific. >
