FINITE DIMENSIONAL LINEAR SYSTEMS (PAPERBACK)

Society for Industrial Applied Mathematics,U.S., United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Originally published in 1969, this classic textbook provides a solid foundation for learning about dynamical systems, and encourages students to develop a reliable intuition for problem solving. The theory of linear systems has been the bedrock of control theory for fifty years and has served as the springboard for many significant developments, all the while remaining impervious to change. Since linearity lies at...
