Council on Foreign Relations Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Following its independence in 2011, three years of civil war have left South Sudan on the cusp of full-scale genocide, with its sovereignty discredited by warring elites, asserts a new Council Special Report, *Ending South Sudan s Civil War*. The only remaining path to protect [South Sudan s] sovereignty and territorial integrity, restore its legitimacy, and politically empower its citizens is through an international transitional administration, established by the United Nations and the African Union (AU), to run the country for a finite period, argues Katherine Almqvist Knopf, the author of the report. Knopf, director of the Africa Center for Strategic Studies based at the National Defense University, makes the case that an international transitional administration is the only realistic path to end the violence and to allow South Sudan the kind of clean break from its leaders and power structures that can restore the country to viability. Moreover, she argues that an international transitional administration would not necessitate an investment costlier than what the United States is already spending--more than \$2 billion since 2013 (and more than \$11 billion...

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
