SEX, POLITICS AND SOCIETY: THE REGULATION OF SEXUALITY SINCE 1800

[DOWNLOAD](#)

Condition: New. An established classic, this book considers the transformations of British sexual life from 1800 to the present, treating sexual behaviour not as something esoteric and set apart but as part of wider social life. It is as much a history of changing patterns of family life, gender and intimacy as of erotic life per se. Changes in sexual behaviour are considered in the wider context of social change, from industrialisation and the experience of Empire, through the establishment of the welfare state to the rise of new social movements and new forms of social conservatism. This edition discusses the transformation of the sexual world through globalisation and the internet, the changing impact of the AIDS pandemic and the gradual mainstreaming of sexuality within historical study.
