Sam, alias Abe, saw his position not without comforting aspects. He would get a month s board free, for he would escape work somehow; and he wrote to his wife that he was about to lose his job, that he was discouraged, and that by the time the letter reached her he would be at the bottom of the East River. Kiss little Alice good-bye for me, he concluded. He wept over that. And yet, when he should return from Blackwcll s Island, there would be only himself to support. A turnkey mailed the letter for him. The month in the workhouse took out what little poison there was left in the sting of the beggar s profession, and the new Sam came out with his mind made up to get all he could for nothing. It was necessary, however, to find new fields, the railroad stations and ferries having, become too dangerous for constant cultivation. Sam had studied that question in his leisure. Already he had learned that men, as a rule, are most generous after meals, because the physical exhilaration arising from the first flush of the filtering food brings with it an increase of amiability. He had learned, too, that an affected frankness and simplicity works powerfully on men. Three or four chophouses on and near Broadway constituted his new territory. His speech...
