NEW YORK REVIEW OF BOOKS, 2018. Hardback. Condition: New. Language: English . Brand New Book. A book of creative metamorphosis and stunning visuals that will bend children s imaginations and appeal to all ages. One of my own personal childhood favorites. --Brian Selznick Thirteen is no ordinary picture book. It is book of visual and conceptual revolutions, metamorphoses, and narratives that swallow their own tails. In thirteen illustrated stories, plus a preview of coming attractions, nothing less than the birth of the world, its duration, death, and rebirth occurs, in thirteen arresting and evolving tableaux, involving a sinking ship, a play, a leaf and caterpillar, a card trick, swans, a worm, Cinderella, the alphabet, paper magic, pyramids, a getting-thin-and-getting-fat-again dance, the fall and rise of civilization, and a countdown. This is not a book you read from beginning to end, so much as one you enter into, are absorbed by and transformed, like the thirteen tableaux themselves.
