## THE BOY WITH THE U. S. WEATHER MEN (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Boy With the U. S. Weather Men The savage fury of the tempest and the burn ing splendor of the sun in all ages have stirred the human race to fear and wonder. All the great stories and legends of the world began as weather stories. The lightnings were the thunderbolts of Jove, the thunder was the rolling of celestial chariot-wheels, and the rains of spring were a god dess weeping for her daughter, Nature, held a cap tive in the icy prison of Winter. We know a great deal more about the forces of the Weather than the ancients did, yet we know but little still. The hurricane does not come un heralded to our shores, the freezing grip of a cold wave is forecast in time to enable us to fight it, the lightning is tamed by the metal finger we thrust upward to the sky. But the tornado sweeps its funnel of death over our cities in spite of all we do, the cloudburst falls where it will, and rivers rush to ?ood with the melting of the snows upon the distant mountains. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
