Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Report of the Montana Commission on Higher Education With the Recommendations of the State Board of Education: September 26, 1944 After thorough consideration of these reports it is the opinion of the members of the Board that two conclusions constitute the framework of the Commission's recommendations. The first of these provides for the unification of the six units of the University into a single educational system with unified budgetary control and administration. The second recommends, a clarification and definition of the powers of the State Board of Education. The past experience of the Board supplies many examples of the difficulties under which the Board functions when it has responsibility for the control of higher education but is without authority to carry out the responsibility. Time and again the lack of unity in the educational structure itself, the fiscal independence of the individual institutions and the lack of budgetary control have hampered the Board in its efforts to administer the system of higher education with wisdom and efficiency. The Board also concurs with the recommendations of the Commission with regard to budgetary procedure, planning of buildings and equipment and the elimination of unnecessary duplication. These will be carried forward as rapidly and effectively as possible within the powers possessed by the Board. Without doubt the Commission manifested wisdom in urging special attention to the education of returned soldiers and other specialized war needs. The majority report recommends changes in the composition of the State Board of Education. The Board believes these changes should not be made. A proposal for a change in the composition of the Board was submitted to the people at the 1942 election and rejected. In...
