Selling Your Business - December 2013 Edition Selling a business requires careful tax planning. Get it right and you will reduce or even eliminate your capital gains tax and income tax bills. Get it wrong and you could end up paying a large chunk of your profits to the taxman. This unique and recently updated 200 page selling a business book tells you everything you need to know about paying less tax and maximizing your profits when you sell your business. The changes to the capital gains tax regime, that apply from 6 April 2008, have important implications on the amount of tax you will pay on the sale of your company or business. This book explains exactly what these changes are, how they will impact on your business disposal AND crucially, what you can do to further reduce your tax liability. It is essential reading for anyone selling a company or sole trader business. Even if you have a good accountant you should read this tax guide if you're selling your business - it contains lots of interesting new tax saving ideas and highlights various dangers and traps to avoid. It is essential reading for anyone selling or planning to sell either a sole trader business or a company. What Information is Contained in the Selling a Business Guide This excellent and comprehensive guide is written in an easily digestible, plain English style and all key points are accompanied by clear examples and real-life scenarios.
