Authorhouse. Paperback. Condition: New. 372 pages. Dimensions: 9.1in. x 6.1in. x 0.9in. The Wiccan Ministers Manual, A Guide For Priests and Priestesses, was inspired as a training aid for those who would like to become Wiccan Ministers, as well as an aid for Wiccan Pagan Priests and Priestesses. The Craft is evolving, becoming more and more accepted by society, and there is beginning to be a definite distinction between Wiccan Laity and Wiccan Clergy. Part One - Guidance - Making the spiritual connection to personal deity through love, prayer, meditation, ritual, and myth and how to guide others to create their own personal connections. Part Two - Wiccan religious philosophy and guidance - How to live a spiritual life in the modern world. Part Three - various methods of healing mind, body and spirit - Including some legal pit-falls to avoid, plus chapter eleven presents an extensive discourse on Pastoral Counseling. Part Four deals with psychic self-defense and rituals of protection. Including House Clearings, Banishings, and Exorcism. Additionally, the author explains what to look for and what to look out for while determining if an exorcism is really needed or if the client is suffering from psychosis and is in need of a professional therapist. Part Five focuses upon the spiritual support roles. It covers, dealing with death and dying, Funerals, Prison Ministry, Legal requirements of doing Handfastings in all 50 states, plus a discourse on whether or not to incorporate. This work begins to fill yet another gap in this area of the Wiccan religious structure as it brings back much of the older knowledge and philosophy that seems to be waning from the collective Wiccan memory. Reviewed by Edain McCoy; Kevin, I received my copy of Wiccan Ministers Manual Its terrific! You cover everything. . . Personally, I think you did a great job at making your book useful to all traditions. This item ships from multiple locations. Your book may...
