POCKET ATLAS OF ACUPUNCTURE

Condition: New. Publisher/Verlag: Thieme, Stuttgart | The PA of Acupuncture provides the reader with a brief overview of the history of acupuncture in China and Europe, it describes the underlying principles of Chinese medicine and how it differs from Western medicine, and it looks at the way Western medicine attempts to explain the effects achieved by acupuncture therapy. The main focus of this book is the presentation of the 361 classic acupuncture points giving details of their locations, the way...

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).
