## Chromosome 6 (Paperback)

By Robin Cook

Penguin Putnam Inc, United States, 1998. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Mystery/Suspense Large Print Edition \* A New York Times Bestseller This harrowing new bestseller by the master of medical thrillers combines the fast action of a nerve-jangling thriller with the medical possibilities that are Robin Cook's trademarks. When a notorious underworld figure, Carlo Franconi, is gunned down, his body is snatched from the city morgue before it can be autopsied. A few days later, a floater appears on Dr. Jack Stapleton's autopsy table missing its head, hands, feet and liver. With the help of Dr. Laurie Montgomery, Jack IDs the body as that of Carlo Franconi. Was the triggerman who killed him the same person who later dismembered him? Jack and Laurie's search leads them to equatorial Africa where they discover a sinister cabal whose stock-in-trade involves surgical procedures a step beyond current medical technology and a leap beyond accepted medical ethics.

### Reviews

*Extensive guide! Its this kind of excellent read through. it absolutely was writtern very perfectly and helpful. Your way of life period is going to be change when you complete reading this ebook.*

-- **Murphy Dooley**

*The very best book i at any time read. It generally does not price an excessive amount of. I discovered this publication from my dad and i recommended this book to understand.*

-- **Joesph Hettinger**
