

Making Gay Okay: How Rationalizing Homosexual Behavior Is Changing Everything

Filesize: 6.14 MB

Reviews

This book will not be straightforward to start on studying but really fun to read. it absolutely was writtern really flawlessly and helpful. You can expect to like just how the writer write this publication.
(Glenna Goldner)

MAKING GAY OKAY: HOW RATIONALIZING HOMOSEXUAL BEHAVIOR IS CHANGING EVERYTHING

Ignatius Press. Paperback. Condition: New. 250 pages. Why are Americans being forced to consider homosexual acts as morally acceptable Why has the US Supreme Court discovered a constitutional right to same-sex marriage, which until a decade ago, was unheard of in the history of Western or any other civilization Where has the gay rights movement come from, and how has it so easily conquered America The answers are in the dynamics of the rationalization of sexual misbehavior. The power of rationalizationthe means by which one mentally transforms wrong into rightdrives the gay rights movement, gives it its revolutionary character, and makes its advocates indefatigable. The homosexual cause moved naturally from a plea for tolerance to cultural conquest because the security of its rationalization requires universal acceptance. In other words, we all must say that the bad is good. At stake in the rationalization of homosexual behavior is reality itself, which is why it will have consequences that reach far beyond the issue at hand. Already Americas major institutions have been transformedits courts, its schools, its military, its civic institutions, and even its diplomacy. The further institutionalization of homosexuality will mean the triumph of force over reason, thus undermining the very foundations of the American Republic. Robert Reilly shows that to go with the flow of the homosexual movement is to go against nature, science, children, marriage, the family and the common good; in fact, to go against common sense. Patrick F. Fagan, PhD, Senior Fellow, Family Research Council If you read only one book on homosexuality and the radical changes now being instituted within our culture, let it be this one! Joseph Nicolosi, PhD, Cofounder, National Association for Research and Therapy of Homosexuality (NARTH) This book is a stark warning that should be read by every lover of liberty, and...
